Reasons For Allowance

The following is an Examiner's Statement of Reasons for Allowance:

Re claims 1-27

The prior art of record alone or in combination does not teach or suggest the controller having a switchable performance characteristics having the combination of elements with their recited arrangement and function, along with having:

.the controller being capable of operating in a second operative mode with a second performance characteristic in a second range of error signal values;

wherein said first range and said second range have an overlap [TLL-TN] ;

the controller being switchable from first operative mode to second operative mode and vice versa for an error signal value in the said overlap,

as set forth in claims 1-27.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
